

1 Peter 2:9

Instructions for Crown to Wear:

1. Cut a strip from a cereal box (about 3 in wide) to fit your head. Secure headband with tape or staples.
2. Color the crown template.
3. Cut out crown and glue/tape/staple to headband. (If you want a stronger crown, glue to cereal box before cutting out.)
4. Wear your crown and remember that God has chosen you to be his child.
